Investing In Africa

Tuesday 19th March 2019

Outlierz Ventures

09:30 – 12:00

20 rue Ahmed Charci, apt 14, 2ème étage

The morning will be spent at the offices of **Outlierz Ventures**, a seed VC fund which invests in tech-enabled companies solving a real problem in key industries across Africa - fintech, insurtech, logistics, healthtech, agritech and logistics/distribution, with a particular focus on the continent's most dynamic ecosystems. The fund is backed by Silicon Valley and Africa investors and successful entrepreneurs.

Join us to discuss VC investing in Africa with Outliers Ventures and high-growth tech entrepreneurs.

LaFactory

14:00 – 16:00

8th Floor, TechnoPark, Casablanca

In the afternoon, we will visit **LaFactory**, a tech-hub driving innovation by supporting the growth of Morocco's digital/tech start-ups and facilitating collaboration between start-ups and major corporates. During the visit we will have the opportunity to meet some of the group's top entrepreneurs.
